

Frequently Asked Questions

Who may earn this activity patch?

Any youth or adult Catholic age 6 and up may earn the Main Central patch and any of the activity patches. The Parish Ministry activity is for age-appropriate applicants.

Is this activity considered a religious emblem and may a Scout receive a religious knot after earning this activity?

No. Since this activity is open to all Catholics, it is not considered an official Scout religious emblem. Scouts may not receive a religious knot for earning any of the activity patches.

Will there be more Special Patches?

This is a limited-edition patch – only available through the end of 2025.

Who may serve as a mentor for youth participants?

For younger youth, parental or guardian guidance is needed. For older youth and adults, self-verification only is needed.

Do the answers need to be submitted?

No. By submitting an order form and patch fee, the applicant self-certifies completion of the requirements.

Does the Main Central patch requirement need to be completed before any activity patches are awarded?

Yes. The activities can and should be worked on simultaneously with the Main Central patch requirement. However, no activity patches can be requested until the Main Central patch is earned. Once the Main Central patch is earned, the other activities may continue to be earned until the conclusion of the program.
